Great Movement of Interchurch World of North America in South,

tianta, Ga. Oct. 30.—(Special.)—
iders of all Protestant denominations
ong the churches of the southeast
re been invited to attend a series of
ferences, which are to be held in
cities of the nine states lying
the of the Potomac and Ohio rivers
ler the auspices of the Interchurch
rid Movement of North America.

World Movement of North America.

There conferences will be the first of December and will continue until December 20, on the following schedule: December 1 to 2, Washington, D. C., Jackson, Miss., and Miami, Fla., December 3 to 5. Richmond, Va. Lexington, Ky., and Jacksonville, Fla., December 3 to 10, Macon Ga., December 10 to 12, Atlanta, Ga., Lynchburg, Va., and Paducah, Ky., December 15 to 17, Raliegh, N. C., and Montgomery, Ala., December 17 to 19, Nashville, Tenn., and Columbia, S. C.

The purpose of the conferences will

ation of the nation, as well as foreign ands.

The interchurch world movement, which is an agency of co-operation mong the Protestant denominations or the purpose of finding out the facts is they now exist in this country and no foreign fields relative to religious and social development or lack of development, will in these conferences utiline its present program of educational work, and will call upon the various churches to indicate the method brough which the information secured is to be put into effect.

Present at each of the conferences ill a group of religious leaders of ational prominence, who will present at each of the conferences ill a group of religious leaders of ational prominence, who will present at each of the conferences in the problems which are to be met. The seetings, however, will not be made p so much of addresses as of round able discussions by the various representatives of all the denominations which are represented.

The interchurch world movement, in suing the call for the conferences, treases the fact that whatever program to be decided upon in the future lies interchurch world movement has no regram of its own except as dictated to the idea of intervalves are subscribed to the idea of intervalves.

he various denominations inter-subscribed to the idea of inter-minational co-operation upon the movement was founded a

WHATEVER YOU WANT TO KNOW

reader. All replies are mailed direct to the inquirer. Write your question to The News Information Bureau, Frederic J. Haskin, director. Inclose 2-cent stamp. Do not telephone.

Q. What was the golf record set by Edward Styles?—M. E.

A. Mr. Styles holds the world record for skillful endurance at golf. On July 11, this year, at the York Road Country club, near Philadelphia, he played ten times around the long eighteen hole course. He started at 5:30 a.m., and played continuously until 8:50 p.m., excepting twenty minutes off for lunch. During the day he walked forty-two miles, and hit the ball 798 times. He exhausted six caddles and five scorers. His average score for the ten rounds was a fraction under eighty. He played the last round in 78, and the last nine holes in 36. In playing the entire 180 holes he was out of bounds only twice, and off the course only four times. Mr. Styles is an amateur and a man of small stature.

Q. Which is the larger, the Grand Central station in New York, or the Union station in Washington, D. C.?—M. B, G.

A. The Capital at Washington is not insure any of its property, and because, in the second place, it is regarded as absolutely fire proof.

Q. What is the percentage of Roman Catholics in Ireland and of Protestants in Ulster?—D. M. C.

Q. What is the percentage of Roman Catholics in Ireland and of Protestants on Ulster.

A. Of the total population of Ireland it is estimated that 73.56 per cent. is Catholic. The Protestants constitute 56.33 per cent. of the population of Ulster.

Q. Where did the expression "the goose hangs high" originate?—S. S.

A. The usual form is: "Everything is lovely and the goose hangs high" it is said to have originally been "The goose honks high?" that is it cries and flies high, which is a sign of fair weather.

Q. What was the length of a Roman league?—H. B. N.

A. The length of a Roman league was 150 paces, each of 5 feet.

Union station in Washington, D. C.?—M. B. G.

A. The Grand Central station is the largest railroad station in America, and is also the most expensive.

Q. What is writer's cramp and is there any cure for it?—J. V.

A. Writer's cramp has been defined as a disease of those who do too much writing, especially with the hand too tightly contracted. A person with this trouble has not complete control over the muscles of the thumb and middle and fore fingers, which are brought and fore fingers, which are brought into use in writing. The various meth-

The winds of spring is joyous, as leasantly it floats; it never does annoy

us with ghastly, wailing notes. It seems

us with ghastly, wailing notes. It seems to bring a rumor of blue and crystal seas; and with buoyant humor it swishes through the trees. We never hear it screaming, as though with stomach ache; it helps us in our dreaming, and sooths us when we wake. The sizzling wind of summer blows morals galley west; and clergyman and plumber denounce it, with the rest. Tumultuous and torrid, it goes its burning way, and makes us think up horrid and beastly things to say. The woozy wind of winter has little helpful uservangelist and printer berate it like the deuce. It numbs our nerves and senses as from the north it skids; it adds to our expenses as from the north it skids; it adds to our expenses, and makes us soak our lids. But oh, the wind of

BITRO-PHOSPHATE

While excessive thinness might be attributed to various and subtle

causes in different individuals, it is

a well-known fact that the lack of phosphorous in the human system is

very largely responsible for this con-

It seems to be well established that this deficiency in phosphorous may now be met by the use of Bitro-Phosphate, which can be obtained

from any good druggist in convenient tablet form.

In many instances the assimilation of this phosphate by the nerve tissue

soon produces a welcome change-nerve tension disappears, vigor and strength replace weakness and lack

strength replace weakness and lack of energy and the whole body loses its ugly hollows and abrupt angles, becoming enveloped in a glow of perfect health and beauty and the will and strength to be up and doing.

CAUTION: — While Bitro-Phosphate is unsurpassed for the relief of nervousness, general debility, etc., those taking it who do not desire to put on flesh should use extra care in avoiding fat-producing foods.—(Adv.)

ods of treatment so far have not proved altogether successful, among the methods used are surgical operations and appdication of electricity.

Q. How many negroes are there in the United States; Provided the bureau cannot give any population of the United States and the united states figures available from the bureau of the census as to the negro population of the United States; Provided the successful and the surgice of the United States shows that there are \$,827,763 negroes in this country.

Q. Is the United States capitol at Washington insured?—L. B.

Cippling Rhumes

Rhumes

A brute is a husband who gets me because his wife uses two of his necessary than moved from you. But he never return to the borrow of the united states because his wife uses two of his necessary than moved from you. But he never return you.

autumn! It seems to sigh, my friends, of woe that has no bottom, of pain that never ends. It walls around my cottage, what time the daylight dies, when I am tired of swattage, and chasing of the files. Now hastily, now slowly, it whimpers overhead; there's nothing so unholy, so weird, so full of dread. It sighs, in haunted crannies, of long dead men and maids, of old forgotten grannies, who walked the earth as shades. (Copyright by George Matthew Adams.)

King Friend of Brother

And place them in their little How can two sisters, being so browns,
Decide, upon arising, which switch? weather.

Q. What was the length of a Roman league?—H. B. N.

A. The length of a Roman league was 150 paces, each of 5 feet.

Q. How did the custom originate of having Saturday afternoon as a holiday?—D. A.

This custom was supposed to have originated in Scotland, It appears that at a council of William, king of Scotland, A. D. 1203, it was determined that Saturday, after the twelfth hour, reshould be kept holy, that everyone might attend vespers in preparation for Sunday.

(Any reader can get the answer to any question by writing The Chattanooga News information bureau, Frederic J. Haskin, director, Washington, D.

Women have more sense than me You never saw a woman wearing emuffs, did you?

Why is it that the man who is alway out of a job always has a pocket for of letters of recommendation?

A girl thinks that her life work her been completed when she cops out hushand. But it has just begun.

Mind your own business and ke your nose clean and you'll be surprise how popular you are.

When a girl's face is her fortune she has sense enough to paint it up ever day and keep it in repair.

It is wonderful what science and more invention have done for us in the past thirty years. Nowadays you not have to spit in a box of shoe blacking to make the stuff stick to a daube.

Maybe the reason why there are many marriages is because a marriagilicense costs only \$2, while a talkin machine costs about \$100.
